Send diapers daily or bring a pack of diapers and we will send a note home when you need to send more.

Bring bottles pre-mixed and place in refrigerator just outside of our room. Please send enough bottles for that day only and be sure to take home any that were not used. Please be sure Everything Is Labeled!!

Send a pacifier daily if your child takes one.

Make sure you have at least two changes and socks in the diaper bag.

Please make sure child's name is on all bottles, pacifiers, bibs, and diaper bag.

Thanks,

Miss Lynn
